## WORK EXPERIENCE

---

### MANTH Solution

June 2023 – Present

*Full Stack Developer*

*Remote*

- Delivering React and React Native projects, focusing on creating responsive and efficient web and mobile applications.
  - Implementing user-friendly interfaces and integrating APIs to meet client requirements.
  - Collaborating with remote teams to ensure timely project delivery and high-quality results.

### Falcon IT Consultant

January 2022 – December 2023

*Full Stack React Native Developer*

*Lahore, Pakistan*

- Developed and maintained cross-platform mobile apps with React Native, ensuring optimal performance and user experience.
  - Collaborated with UI/UX designers to create seamless, high-quality interfaces.
  - Built and managed backend services with Node.js and Express.js, integrating databases and third-party APIs.

## PROJECTS

---

### Telehealth

*React Native, Node.js, REST APIs, TypeScript, Google ML Kit*

**Roles:** Full-Stack Developer

- Contributed to the development of a motion tracking app with real-time pose detection and exercise guidance using React Native and Google ML Kit.
- Assisted with deployment and various aspects of full-stack development.

### Human Resource Management System (HRMS)

*React Native, Node.js, REST APIs, TypeScript, Google ML Kit*

**Roles:** Full-Stack Developer

- Supported the creation of an HRMS app incorporating facial recognition and location tracking for efficient attendance and resource management.
- Participated in full-stack development and deployment.

## EDUCATION

---

### University of Westminster

Expected Graduation: July 2026

*MSc Data Science and Analytics*

*London, UK*

- Current student, expected to graduate with advanced expertise in data analysis, machine learning, and statistical modeling.

### Superior University

June 2022

*Bachelor of Software Engineering*

*Lahore, Pakistan*

- Graduated with a GPA of 3.15
- Participated in the university's coding club and contributed to several software development projects.

## SKILLS

---

Full-Stack Developer with expertise in React, React Native, Node.js, and TypeScript. Skilled in both front-end and back-end development, I create responsive web and mobile applications, ensuring high performance and scalability. Experienced in integrating technologies, managing databases, and delivering end-to-end solutions.
